☐ Required and attached to this report ☒ Not Required - Disclosures covered in this report.

**Summary of Changes from Earlier Public Reports:**

This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

☒ No prior reports have been issued by the developer.

☐ Changes made are as follows:

**SPECIAL ATTENTION**

A. This Contingent Final Public Report has been prepared by the Developer pursuant to §514A-39.5, HRS. The Real Estate Commission issued this report before the developer submitted certain documents and information as more fully set forth in the statutory notice below. Sales contracts executed pursuant to this report **are binding on the buyer under those conditions specified immediately below** and in Part V. B. of this report found on pages 18 & 19 of this report. This report expires nine (9) months after the effective date of the report and may not be extended or renewed.

**STATUTORY NOTICE**

"The effective date for the Developer's Contingent Final Public Report was issued before the Developer submitted to the Real Estate Commission: the executed construction contract for the project; the building permit; satisfactory evidence of sufficient funds to cover the total project cost; or satisfactory evidence of a performance bond issued by a surety licensed in the State of not less than one hundred percent of the cost of construction, or such other substantially equivalent or similar instrument or security approved by the Commission. Until the Developer submits each of the foregoing items to the Commission, all Purchaser deposits will be held by the escrow agent in a federally-insured, interest-bearing account at a bank, savings and loan association, or trust company authorized to do business in the State. If the Developer does not submit each of the foregoing items to the Commission and the Commission does not issue an effective date for the Final Public Report before the expiration of the Contingent Final Public Report, then:

- (1) The Developer will notify the Purchaser thereof by certified mail; and
- (2) Either the Developer or the Purchaser shall thereafter have the right under Hawaii law to rescind the Purchaser's sales contract. In the event of a rescission, the Developer shall return all of the Purchaser's deposits together with all interest earned thereon, reimbursement of any required escrow fees, and, if the Developer required the Purchaser to secure a financing commitment, reimburse any fees the Purchaser incurred to secure that financing commitment." (§514A-64.5, HRS)

The developer is not required to submit but has for this registration submitted the following documents and information:

1. The executed and recorded deed for the project site.
2. The letter relating to the availability of funds to complete the project.

B. This is a CONDOMINIUM PROJECT, not a subdivision. It does not include the sale of individual subdivided lots. The land area beneath and immediately appurtenant to each unit is designated a LIMITED COMMON ELEMENT and not a legally subdivided lot. The dotted lines in the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

This public report does not constitute approval of the Project by the Real Estate Commission, or any other government agency, nor does it ensure that all applicable County codes, ordinances and subdivision requirements have been complied with.

Facilities and improvements normally associated with County approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for, and services such as County street maintenance will not be available for interior roads and driveways. Trash service is expected to be handled by a private service provider.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

### **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

### **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

## II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

<input type="checkbox"/>	Proposed		
<input type="checkbox"/>	Recorded -	Bureau of Conveyances:	Document No. _____ Book _____ Page _____
<input checked="" type="checkbox"/>	Filed -	Land Court:	Document No. <u>2970878</u>

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

Amendment to Declaration of Condominium Property Regime of Anuheia at Makakilo (Condominium Map No. 1555) dated November 14, 2003, Land Court Document No. 3031829

B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

<input type="checkbox"/>	Proposed		
<input type="checkbox"/>	Recorded -	Bureau of Conveyances Condo Map No.	_____
<input checked="" type="checkbox"/>	Filed -	Land Court Condo Map No.	<u>1555</u>

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

Amendment to Condominium Map for Anuheia at Makakilo (Condominium Map No. 1555) dated November 14, 2003, Land Court Document No. 3031830

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

<input type="checkbox"/>	Proposed		
<input type="checkbox"/>	Recorded -	Bureau of Conveyances:	Document No. _____ Book _____ Page _____
<input checked="" type="checkbox"/>	Filed -	Land Court:	Document No. <u>2970879</u>

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

☐ Proposed ☒ Adopted ☐ Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interest which must vote for or give written consent to changes:

	<u>Minimum Set by Law</u>	<u>This Condominium</u>
Declaration (and Condo Map)	75%*	<u>75%</u>
Bylaws	65%	<u>67%</u>
House Rules	---	Majority vote of <u>Board of Directors</u>

\* The percentages for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

2. **Developer:**

☐ No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

☒ Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

- A. The Project consists of 109 residential Residences, to be built, in as many separate increments as Developer shall solely determine. Developer contemplates, however, that development shall proceed in three (3) increments. Increment 1 shall consist of 26 Residences, Increment 2 shall consist of 44 Residences, and Increment 3 (identified as Increments 3A and 3B on the Condominium Map) shall consist of 39 Residences. Developer may increase or reduce the number of Homes within the increments at Developer's election. The Private Yard Areas associated with each Residence are not subdivided lots but rather exclusive limited common elements.
- B. Upon completion of the Project, the Developer may amend the Declaration and the Condominium Map (if necessary) to file the "as built" verified statement required by Section 514A-12 of the Condominium Property Act.
- C. Until all of the Residences have been sold, the Developer may amend the Declaration, the Bylaws and/or the Condominium Map to make such amendments as may be required by law, by the Real Estate Commission, by the title insurance company, by a mortgage lender, or by any governmental agency (including the VA, HUD, FNMA and/or FHLMC), provided that no such amendments change the common interest appurtenant to a Residence or substantially change the design, location or size of a Residence.
- D. Until all of the Residences have been sold and the "as built" verified statement is filed, the Developer may amend the Declaration and the Condominium Map to (i) reflect alterations in any Residence which has not been sold; and (ii) reflect minor changes in any Residence or in the common elements which do not affect the physical location, design or size of any Residence which has been sold.
- E. The Developer reserves the right to alter the product mix within this project, sometimes hereinafter referred to as "Community". Developer has reserved the right to alter the location, size and design of any unsold Residences as described in Section III.H.p.16. Such changes could result in a modification of an Owner's common interest and voting rights.

### **IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

The Residence shall not include any pipes, shafts, wires, conduits or other utility or service lines running through a Residence which are utilized for or serve more than one Residence, all of which are deemed common elements as provided in the Declaration.

Residences followed by a "—R" represent a reverse floor plan configuration from that reflected on the condominium map.

**Note regarding Net Living Areas:** Throughout the Anuhea at Makakilo documentation, the area of individual Residences is generally expressed as "net living area" square footage. This measurement represents the architect's best estimate of the interior square footage of the Residence as measured from the Residence's perimeter walls which are included in the Residence. This measurement is based upon the plans for the construction of the Residence and different architects performing the same measurement may obtain a larger or smaller result.

**Permitted Alterations to Apartments:** Alterations or additions solely within or to a Residence, its Private Yard Area or within a limited common element appurtenant to and for the exclusive use of a Residence shall require the written approval of the Department of Planning and Permits and the Palehua Community Association Design Review Committee. The improvements must comply with Palehua Community Design Guidelines and the Anuhea at Makakilo Improvement Guidelines attached as Exhibit F to the Declaration of Condominium Property Regime. The Board will issue a "tentative approval" of the alteration prior to the submittal of the alteration or addition to the Palehua Community Association. No alteration or addition may proceed without the submittal of the approvals of the Department of Planning and Permits and the Palehua Community Association Design Review Committee to the Board of Directors which the Board may object thereto for non-compliance, as permitted by the Declaration. Residence owners directly affected by such alterations or additions are deemed to have approved the same provided the alteration or additions complies with the foregoing requirements. The Board has been empowered, but is not obligated, to adopt special design guidelines applicable to the Anuhea Community. Buyers are encouraged to read Sections M and I of the Declaration for more information. Any alteration or addition different in any material respect from the Condominium Map shall be commenced only pursuant to an amendment to the Declaration.

11. Conformance to Present Zoning Code

a. ☒ No variances to zoning code have been granted.

☐ Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

☒ described in Exhibit B-2.

☐ as follows:

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

☐ There are no limited common elements in this project.

☒ The limited common elements and the apartments which use them, as described in the Declaration, are:

☒ described in Exhibit B-3.

☐ as follows:

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

☒ described in Exhibit C.

☐ as follows:

The rights reserved to the Developer to alter the Residences in the Community (see Items 1 and 2), may result in alteration of the common interest and attendant voting rights of a homeowner. See Section F.2 of the Declaration that provides:

The common interest and easements appurtenant to each Home shall have a permanent character and shall not be altered except as noted in Section F of the Declaration. The common interest, voting rights and easements appurtenant to each Home may be altered (diminished or increased) by a recorded amendment to the Declaration: (a) as may be determined necessary by Developer, without the consent of any party, to correct typographical or mathematical errors in the statement of such common interests, (b) filed by the Developer, without the joinder of any party, upon the alteration of the Community as permitted pursuant to Section F or Section M.3 of the Declaration as set forth in subpart H of this report, and/or (c) upon the action or consent of all Owners of Homes affected thereby, and the consent of the holders of any mortgage affecting such Homes as shown in the Association's records of ownership, or who have given the Board notice of their interest. The common interest and appurtenant easements shall not be separated from the Home to which they appertain and shall be deemed to be conveyed or encumbered with that Home even though such interest or easements are not expressly mentioned in the conveyance or other instrument. The common elements shall remain undivided and the right to partition or divide any part of the common elements shall not exist except as provided in the Act. In that the development of the Community will proceed incrementally, Section F also provides that common expense will be allocated based on common interests of the Homes in each increment as new increments are created within the Community. Initially, common expenses will be borne by Increment 1 homeowners in proportion to the common interest of the Increment 1 homeowners. Section M.3 allows the Developer prior to the sale of all Homes and the filing of an "as built" certificate to (a) make alterations in the Community which change the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any Home (and the limited common elements appurtenant thereto) in the Community which is not sold and the conveyance thereof recorded which right includes the ability to change the overall "product mix" (e.g., change the model home type and size of a Private Yard Area); and (b) make other alterations in the Community which make minor changes in any Home in the Community or in the common elements which do not affect the physical location, design or size of any Home which has been sold and the conveyance thereof recorded.

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit A describes the encumbrances against the title contained in the title report dated October 15, 2003 and issued by First American Title Insurance Company.

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

☒ There are no blanket liens affecting title to the individual apartments.

☐ There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

The Developer's sole warranty will be provided in the form attached to this Public Report as Exhibit D.

2. Appliances:

The Developer makes no warranty as to appliances or other consumer products installed in any Residence or in the common elements. If there are no applicable manufacturer's or dealer's warranties relating to such appliances or other consumer products, the Developer will endeavor to assign and pass on to each Residence owner the benefit of such warranties.

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

Construction commenced in September 2003 and all 109 units should be completed by approximately December 2005.

H. **Project Phases:**

The developer [X] has [ ] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

Alteration of the Community: The Developer has reserved the right in its sole and absolute discretion:

1. To make alterations in the Community (and to amend the Declaration and the Condominium Map accordingly) which change the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any Residence (and the limited common elements appurtenant thereto) in the Community which is not sold and the conveyance thereof Recorded, including specifically the right to alter the mix of model home types (increase or decrease the number of model home types); and
2. To make other alterations in the community (and to amend the Declaration and the Condominium Map accordingly) which make minor changes in any Residence in the community or in the common elements which do not affect the physical location, design or size of any Residence which has been sold and the conveyance thereof recorded.

Multi-Increment Phase: The Developer has reserved the right to develop this Community in increments as set forth in Section II. E.2 of this Public Report.

#### IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

**Initial Condominium Managing Agent:** When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

☒ [X] not affiliated with the Developer                      ☐ [ ] the Developer or Developer's affiliate  
☐ [ ] self-managed by the Association of Apartment Owners    ☐ [ ] Other: \_\_\_\_\_

**B. Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit     E     contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

**NOTE:** The Estimated Maintenance Fee Disbursements for the Anuhea at Makakilo Association have been compiled by Certified Management Company, Inc., a licensed property manager on the basis of the its standard budget assumptions. Although the property manager makes every effort to estimate the actual cost of operation, certain budget items, especially insurance in today's insurance market, may change. The Buyer is aware that such amounts are only estimates and may change for reasons beyond the control of Seller, and the Buyer hereby specifically accepts and approves any such changes. The Buyer is also aware that such estimates do not include the Buyer's obligation for payment of real property taxes. The Buyer understands that such estimates are not intended to be and do not constitute any representation or warranty by the Seller, including but not limited to any representation or warranty as to the accuracy of such estimates. Buyer understands that Seller has not independently confirmed the accuracy or content of the estimates prepared by the licensed independent managing agent. Further, the Developer advises that costs and expenses of maintenance and operation of a condominium community are very difficult to estimate initially and even if such maintenance charges have been accurately estimated, such charges will tend to increase in an inflationary economy and as the improvements age. Maintenance charges can vary depending on services desired by homeowners and may increase significantly depending on the level of services eventually selected by the Association's Board of Directors. The Buyer should examine the maintenance charges schedule to see what services are included in the schedule and address these issues with its Board upon its formation. Buyers should also be aware that the estimates provided are as of the date reflected in the Managing Agent's certification and do not reflect the actual charges that may be incurred upon the formation of the Association and the actual contracting for such services such as insurance and maintenance, etc.

**NOTE:** By purchasing a Home at Anuhea, the Residence Owner will also become a member of the Palehua Community Association and be required to pay membership dues to that Association. As of June 2003, those dues are \$100 per annum. A one time startup and transfer of \$250 is also payable to that Association on purchase of a Home.

**NOTE:** The Developer intends to pay all of the actual common expenses of the project until April 2004. Accordingly, Residence Owners shall not be obligated for the payment of their respective shares of the common expenses until that time. From and after such date Residence Owners will be obligated to pay their respective shares of the common expenses allocated to their Residence, beginning with the budgeted monthly maintenance fees for the month of May 2004.

**C. Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

☐ None      ☒ Electricity (☒ Common Elements only    ☐ Common Elements & Apartments)  
☐ Gas      (☐ Common Elements only    ☐ Common Elements & Apartments)  
☒ Water\*    ☒ Sewer\*      ☐ Television Cable  
☒ Other Common Area Irrigation, Private Sewer Treatment Plant pump station serving a portion of the community, refuse collection

Each Home will be separately metered. Municipal trash service is expected. If unavailable, the Association will arrange for trash pickup at designated locations.

\*Pursuant to Section R.15 of the Declaration water and sewer charges allocable to the Residences may be separately assessed and uses submetered for this purpose.

**EXHIBIT "D"**  
**(HOME BUILDER'S LIMITED WARRANTY)**

# HOME BUILDER'S LIMITED WARRANTY

Administered by Professional Warranty Service Corporation

Throughout this **HOME BUILDER'S LIMITED WARRANTY**, referred to hereinafter as the "**LIMITED WARRANTY**", the words "**YOU**" and "**YOUR**" refer to the **HOMEOWNER** and **HOMEOWNERS ASSOCIATION**. The words "**WE**", "**US**" and "**OUR**" refer to the **BUILDER**. The other words and phrases which appear in boldface uppercase type also have special meaning. Refer to the Section **X. Definitions**, so that **YOU** will understand the terminology applicable to this **LIMITED WARRANTY**.

This **LIMITED WARRANTY** establishes an agreed method for determining when a **CONSTRUCTION DEFECT** exists and a clear understanding of **OUR** responsibilities for remedying any such **CONSTRUCTION DEFECT**. This **LIMITED WARRANTY** also helps distinguish a **CONSTRUCTION DEFECT** that is **OUR** responsibility from those minor imperfections that can reasonably be expected in a **HOME** or the **COMMON ELEMENTS** or result from normal wear and tear or are routine **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** maintenance responsibilities.

This **LIMITED WARRANTY** contains the procedures **YOU** must use to notify **US** of a condition in **YOUR HOME** or the **COMMON ELEMENTS**, which **YOU** believe may constitute a **CONSTRUCTION DEFECT**. In the event a condition occurs in the **HOME** or the **COMMON ELEMENTS** that **YOU** believe may constitute a **CONSTRUCTION DEFECT**, **YOU** agree to submit any request for warranty performance under this **LIMITED WARRANTY**. Based on the information **YOU** provide, and where **WE** deem it necessary information obtained from **OUR** onsite investigation inspection and/or testing of the **HOME** or the **COMMON ELEMENTS**, **WE** will determine whether **WE** agree with **YOU** that the condition constitutes a **CONSTRUCTION DEFECT**. If **WE** determine that the condition reported by **YOU** is a **CONSTRUCTION DEFECT**, **WE** will remedy the condition in accordance with the remedies prescribed in this **LIMITED WARRANTY**. **WE** will make this determination in accordance with Section III, **OUR Coverage Obligations**, contained in this **LIMITED WARRANTY**.

If **WE** determine that a condition does not constitute a **CONSTRUCTION DEFECT** that is **OUR** responsibility and therefore deny **YOUR** request for warranty performance, **YOU** have the right to initiate binding arbitration that will irrevocably determine whether the condition constitutes a **CONSTRUCTION DEFECT** that is **OUR** responsibility. If this binding arbitration determines that the condition does constitute a **CONSTRUCTION DEFECT** that is **OUR** responsibility, **WE** will resolve the problem in accordance with the remedies prescribed in this **LIMITED WARRANTY**. The arbitrator will make a determination based on the language contained in Section III, **OUR Coverage Obligations**.

Enclosed with this **LIMITED WARRANTY** is a Limited Warranty Validation Form. The Limited Warranty Validation Form provides the dates on which the warranty coverage period begins and expires. It is important that this form is retained with the **LIMITED WARRANTY**. Liability under this **LIMITED WARRANTY** is limited to the amount shown on the Limited Warranty Validation Form.

All express or implied warranties other than this **LIMITED WARRANTY**, including any oral or written statement or representation made by **US** or any other person, and any implied warranty of habitability, merchantability or fitness, are hereby disclaimed by **US** and are waived by **YOU**. In addition, **YOU** waive the right to seek damages or other legal or equitable remedies from **US**, **OUR** subcontractors, agents, vendors, suppliers, design professionals and materialmen, under any other common law or statutory theory of liability, including but not limited to negligence and strict liability. **YOUR** only remedy in the event of a **CONSTRUCTION DEFECT** in or to the **HOME** or the **COMMON ELEMENTS** or to the real property on which the **HOME** or the **COMMON ELEMENTS** is situated is the coverage provided to **YOU** under this **LIMITED WARRANTY**. There may be instances where an additional **PWC** administered Builder's Limited Warranty is issued together with this **LIMITED WARRANTY**. If both of these warranties are issued to **YOU**, **YOU** agree to request warranty performance under either warranty relative to warrantable issues on the **HOME** or the **COMMON ELEMENTS**. **YOU** may not collect twice relative to the same defect and amounts paid or expended by **US** for warranty performance under either warranty will reduce the limit of liability remaining under both warranties simultaneously.

**WE** have contracted with **PWC** for certain administrative services relative to this **LIMITED WARRANTY**. **PWC's** sole responsibility is to provide administrative services. Under no circumstances or conditions is **PWC** responsible for fulfilling **OUR** obligations under this **LIMITED WARRANTY**.

If any provision of this **LIMITED WARRANTY** is determined to be unenforceable, such a determination will not affect the remaining provisions. If this **LIMITED WARRANTY** or any provision herein is determined to be unenforceable as to a **HOMEOWNERS ASSOCIATION** or a specific **HOMEOWNER**, such a determination will not affect the enforceability of this **LIMITED WARRANTY** or such provision as to any other **HOMEOWNERS ASSOCIATION** or any other **HOMEOWNER**. The issue of enforceability, as well as all other issues, will be determined by Binding Arbitration as provided for in this **LIMITED WARRANTY**.

## I. Coverage Limit

The amount shown on the Limited Warranty Validation Form is **OUR** limit of liability. It is the most **WE** will pay or expend for all covered **CONSTRUCTION DEFECTS** regardless of the number of requests for warranty performance made against this **LIMITED WARRANTY**. Once **OUR** limit of liability has been paid, no further requests for warranty performance can be made against this **LIMITED WARRANTY** or any other **PWC** administered Builder's Limited Warranty issued for the **HOME** or the **COMMON ELEMENTS**.

## II. Warranty Coverage

Coverage under this **LIMITED WARRANTY** is expressly limited to **CONSTRUCTION DEFECTS** which occur during the **WARRANTY PERIOD** indicated on the Limited Warranty Validation Form and are reported by **YOU** in accordance with the notification requirements of Section VII, **Procedure to Request US To Perform Under This LIMITED WARRANTY**.

**Coverage** During the **WARRANTY PERIOD** indicated on the Limited Warranty Validation Form that is attached to and made part of this **LIMITED WARRANTY**, **WE** warrant the **HOME** and the **COMMON ELEMENTS** will be free of **CONSTRUCTION DEFECTS**. To be eligible for coverage **WE** must receive written notice from **YOU** of the alleged **CONSTRUCTION DEFECT** as soon as it is reasonably possible after **YOU** have become aware or should have become aware of a **CONSTRUCTION DEFECT** but in no event later than thirty (30) days after the expiration of the coverage.

## III. OUR Coverage Obligations

All notices of alleged **CONSTRUCTION DEFECTS**, and complaints under this **LIMITED WARRANTY** must be made by **YOU** in writing. Telephonic or face-to-face discussion will not protect **YOUR** rights under this **LIMITED WARRANTY** (see Section VII, **Procedure to Request US To Perform Under This LIMITED WARRANTY**).

In the event **YOU** allege a **CONSTRUCTION DEFECT** occurs during the **WARRANTY PERIOD**, upon receiving written notice from **YOU**, **WE**, or a third party designated by **US** or acting on **OUR** behalf, will inspect, investigate and/or test (including destructive testing) the alleged **CONSTRUCTION DEFECT** to determine if a **CONSTRUCTION DEFECT** exists. Upon confirmation of a **CONSTRUCTION DEFECT**, **WE**, or a third party designated by **US** or acting on **OUR** behalf, will (1) repair or replace the **CONSTRUCTION DEFECT**, (2) pay to **YOU** the actual amount it would cost **US** to repair or replace the **CONSTRUCTION DEFECT** or (3) **PAY** to **YOU** an amount equal to the diminution in fair market value caused by the **CONSTRUCTION DEFECT**. The decision to repair, replace, or to make payment to **YOU** is at **OUR** or **OUR** authorized representative's sole option.

**WE** will have been considered to have breached this **LIMITED WARRANTY** only if **WE** fail to resolve a **CONSTRUCTION DEFECT** in accordance with the terms and conditions of this **LIMITED WARRANTY**.

**A. Standards By Which the Presence of a CONSTRUCTION DEFECT Will Be Determined**

In the event **YOU** believe that a flaw in the **HOME** or the **COMMON ELEMENTS** constitutes a **CONSTRUCTION DEFECT**, the following factors will be considered by **US** in determining whether the condition constitutes a **CONSTRUCTION DEFECT**. Should either **YOU** or **WE** elect to initiate binding arbitration, these factors will be considered by the arbitrator in rendering a decision:

1. Any performance standards or guidelines or other documents or manuals that contain **OUR** building standards, that were provided to **YOU** at or prior to closing on the **HOME**, or in the case of the **HOMEOWNERS ASSOCIATION**, prior to transferring title to all the **COMMON ELEMENTS**. Absent such standards, the Residential Construction Performance Guidelines published by the National Association of Home Builders, in effect at the time of closing on the **HOME**, or in the case of the **HOMEOWNERS ASSOCIATION**, at the time of transferring title to all the **COMMON ELEMENTS** shall apply. Absent a specific standard in the documents identified above, building practices and standards in use in the region of the country in which the **HOME** or the **COMMON ELEMENTS** are located shall apply;
2. Consideration as to whether the magnitude of the flaw or imperfection:
  - materially affects the structural integrity of the **HOME** or **COMMON ELEMENTS**; or
  - has an obvious and material negative impact on the appearance of the **HOME** or **COMMON ELEMENTS**; or
  - jeopardizes the life or safety of the occupants; or
  - results in the inability of the **HOME** or the applicable **COMMON ELEMENTS** to provide the functions that can reasonably be expected in such a **HOME** or **COMMON ELEMENT**.
3. Consideration as to whether a condition is the result of normal wear and tear (conditions that are normal wear and tear, or are caused by normal wear and tear are not **CONSTRUCTION DEFECTS**);
4. Consideration as to whether the condition was caused by, or in any way resulted from, the failure of the **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** to perform normal or routine maintenance (any condition that is determined to be a **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** maintenance issue, or any condition that results from improper or inadequate **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** maintenance, is not a **CONSTRUCTION DEFECT**);
5. Consideration as to whether the condition was caused by the **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** or their representatives, other than **US**, after the **HOMEOWNER** took possession of the **HOME** or the **COMMON ELEMENTS** (**WE** and **YOU** conducted a walk through inspection just prior to closing on the **HOME**. Damage that was caused by **YOU** or **YOUR** representatives is not a **CONSTRUCTION DEFECT**, for example, a large, visible scratch on marble tile in the entry foyer that was not noted in the walk through inspection, but was reported after furniture was moved into the **HOME**, will not be considered a **CONSTRUCTION DEFECT**);
6. Recognition that any condition resulting directly or indirectly from or worsened by changes, additions, alterations or other actions or omissions by the **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** or their agents, other than **US**, will not be considered a **CONSTRUCTION DEFECT** (this includes changes to the topography, drainage or grade of the property);
7. Any **Exclusions** contained in this **LIMITED WARRANTY**.

## IV. Homeowner Maintenance Obligations

Maintenance of the **HOME** and the **COMMON ELEMENTS** is **YOUR** responsibility. All homes and common elements require periodic maintenance to prevent premature deterioration, water intrusion and to ensure adequate performance of the **SYSTEMS**. **WE** will make a "Homeowner Maintenance Manual" or similar publication available to **YOU** upon request. Whether from this document or others that are readily available to **YOU**, **YOU** must understand and perform the maintenance that the **HOME** and **COMMON ELEMENTS** require. As stated in other sections of this **LIMITED WARRANTY**, **WE** are not responsible for **HOME** or **COMMON ELEMENTS** maintenance issues or for damage that results from **YOUR** failure to maintain the **HOME** or the **COMMON ELEMENTS**.

## V. Coverage Limitations

When **WE** or a third party designated by **US** or acting on **OUR** behalf, repair or replace a **CONSTRUCTION DEFECT** the repair or replacement will include the repair or replacement of only those surfaces, finishes and coverings that were damaged by the **CONSTRUCTION DEFECT** that were part of the **HOME** or the **COMMON ELEMENTS** when title was first transferred by **US**. Surfaces, finishes and coverings that require repair or replacement in order for **US** or a third party designated by **US** to repair or replace **CONSTRUCTION DEFECTS** will be repaired or replaced. The extent of the repair and replacement of these surfaces, finishes or coverings will be to approximately the same condition they were in prior to the **CONSTRUCTION DEFECT**, but not necessarily to a like new condition.

When repairing or replacing surfaces, finishes and coverings, the repair or replacement will attempt to achieve as close a match with the original surrounding areas as is reasonably possible, but an exact match cannot be guaranteed due to such factors as fading, aging and unavailability of the same materials.

In the case where a **CONSTRUCTION DEFECT** exists and the **HOME** is rendered uninhabitable and the **CONSTRUCTION DEFECT** is repaired or replaced, the repair or replacement shall include the reasonable cost of the **HOMEOWNER'S** alternative shelter until the **HOME** is made habitable.

9. Any costs or obligations paid or incurred by **YOU** in violation of Section VII. C. below;
10. Any non-conformity with local building codes, regulations or requirements that has not resulted in a **CONSTRUCTION DEFECT**. ## **VII. Procedure to Request US To Perform Under This LIMITED WARRANTY**

If **YOU** become aware of a condition that **YOU** believe is a **CONSTRUCTION DEFECT** under this **LIMITED WARRANTY**, **YOU** have the following responsibilities:

### **A. Notification**

**YOU** must notify **US** in writing as soon as it is reasonably possible after **YOU** have become aware or should have become aware of a **CONSTRUCTION DEFECT**, but in no event may **YOUR** written notice of a **CONSTRUCTION DEFECT** or **YOUR** written request for warranty performance be postmarked or received by **US** later than thirty (30) days after this **LIMITED WARRANTY** has expired.

If the written notice is postmarked or received by **US** more than thirty (30) days after the expiration of this **LIMITED WARRANTY**, **WE** shall have no obligation to remedy the **CONSTRUCTION DEFECT**. In order to establish a record of timely notification, **WE** recommend that written notice should always be sent by Certified Mail, return receipt requested.

### **B. Cooperate With US**

**YOU** must give **US** and any third parties acting on **OUR** behalf reasonable help in inspecting, investigating, testing (including destructive testing), monitoring, repairing, replacing or otherwise correcting an alleged **CONSTRUCTION DEFECT**. Help includes, but is not limited to, granting reasonable access to the **HOME** or **COMMON ELEMENTS** for the forgoing purposes. If **YOU** fail to cooperate or provide such reasonable access to the **HOME** or **COMMON ELEMENTS**, **WE** will have no obligation to do any of the foregoing.

### **C. Do Not Make Voluntary Payments**

**YOU** agree not to make any voluntary payments or assume any obligations or incur any expenses for the remedy of a condition **YOU** believe is a **CONSTRUCTION DEFECT** without prior written approval from **US**, or other parties authorized to act on **OUR** behalf. **WE** will not reimburse **YOU** for costs incurred where **YOU** did not obtain prior written approval.

However, **YOU** may incur reasonable expenses in making repairs in an **EMERGENCY CONDITION** without prior written approval, provided the repairs are solely for the protection of the **HOME** or **COMMON ELEMENTS** from further damage or to prevent an unsafe living condition and provided **YOU** notify **US** as soon as is reasonably possible. To obtain reimbursement for repairs made during an **EMERGENCY CONDITION**, **YOU** must provide **US** with an accurate written record of the repair costs.

#### D. Sign A Release

When **WE** or a third party designated by **US** or acting on **OUR** behalf have completed repairing, replacing or paying **YOU** as to any **CONSTRUCTION DEFECTS** or other related damage to the **HOME** or the **COMMON ELEMENTS** covered by this **LIMITED WARRANTY**. **YOU** must sign a full release of **OUR** obligation for the **CONSTRUCTION DEFECTS**. The release shall be applicable to the **CONSTRUCTION DEFECTS** and shall not prevent **YOU** from notifying **US** should **YOU** become aware of a subsequent **CONSTRUCTION DEFECT**.

#### E. If YOU Disagree With US

If **YOU** believe **WE** have not responded to **YOUR** request for warranty performance to **YOUR** satisfaction or in a manner that **YOU** believe this **LIMITED WARRANTY** requires, **YOU** may provide written notice to **PWC** requesting Mediation. Upon **PWC's** receipt of written notice from **YOU**, **PWC** may review and mediate **YOUR** request by communicating with **YOU**, **US**, and any other individuals or entities that **PWC** believes may possess relevant information. Binding Arbitration as described in the following section is the sole remedy for the resolution of disputes between **YOU** and **US** as set forth in the following section.

### VIII. Binding Arbitration Procedure

Any disputes between **YOU** and **US**, or parties acting on **OUR** behalf, including **PWC**, related to or arising from this **LIMITED WARRANTY**, the design or construction of the **HOME** or the **COMMON ELEMENTS** or the sale of the **HOME** or transfer of title to the **COMMON ELEMENTS** will be resolved by binding arbitration. Binding arbitration shall be the sole remedy for resolving any and all disputes between **YOU** and **US**, or **OUR** representatives. Disputes subject to binding arbitration include, but are not limited to:

- A. Any disagreement that a condition in the **HOME** or the **COMMON ELEMENTS** is a **CONSTRUCTION DEFECT** and is therefore covered by this **LIMITED WARRANTY**;
- B. Any disagreement as to whether a **CONSTRUCTION DEFECT** has been corrected in compliance with this **LIMITED WARRANTY**;
- C. Any alleged breach of this **LIMITED WARRANTY**;
- D. Any alleged violation of consumer protection, unfair trade practice, or any other statute;
- E. Any allegation of negligence, strict liability, fraud, and/or breach of duty of good faith, and any other claims arising in equity or from common law;
- F. Any dispute concerning the issues that should be submitted to binding arbitration;
- G. Any dispute concerning the timeliness of **OUR** performance and/or **YOUR** notifications under this **LIMITED WARRANTY**;
- H. Any dispute as to the payment or reimbursement of the arbitration filing fee;
- I. Any dispute as to whether this **LIMITED WARRANTY**, or any provision hereof, including, but not limited to any waiver hereunder, is unenforceable;
- J. Any other claim arising out of or relating to the sale, design or construction of **YOUR HOME** or the **COMMON ELEMENTS**, including, but not limited to any claim arising out of, relating to or based

on any implied warranty or claim for negligence or strict liability not effectively waived by this **LIMITED WARRANTY**.

The arbitration shall be conducted by Construction Arbitration Services, Inc., or such other reputable arbitration service that **PWC** shall select, at its sole discretion, at the time the request for arbitration is submitted. The rules and procedures of the designated arbitration organization, that are in effect at the time the request for arbitration is submitted, will be followed. A copy of the applicable rules and procedures will be delivered to **YOU** upon request.

This arbitration agreement shall be governed by the United States Arbitration Act (9 U.S.C. §§ 1 – 16) to the exclusion of any inconsistent state law, regulation or judicial decision. The award of the arbitrator shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.

Each party shall bear its own attorneys fees and costs (including expert costs) for the arbitration. The arbitration filing fee and other arbitration fees shall be divided and paid equally as between **YOU** and **US**. This filing fee shall be no more than the amount charged by the arbitration service to **PWC** for each arbitration. Contact **PWC** to determine the arbitration filing fee in effect at the time an arbitration is being requested. The arbitrator shall, as part of any decision, award to the party prevailing at the arbitration any applicable filing fees or other arbitration fees paid by that party.

The process for **YOU** to initiate arbitration is described below.

**Step 1** **YOU** complete a Binding Arbitration Request Form and mail it to **PWC** along with the appropriate arbitration filing fee. A Binding Arbitration Request Form is attached to this **LIMITED WARRANTY**. **YOUR** Binding Arbitration Request Form must be received no later than ninety (90) days after this **LIMITED WARRANTY** expires. **YOU** must still notify **US** of an alleged **CONSTRUCTION DEFECT** as soon as it is reasonably possible after **YOU** have become aware or should have become aware of the **CONSTRUCTION DEFECT**, but in no event later than thirty (30) days after expiration of this **LIMITED WARRANTY**. Please Note that while **YOU** have thirty (30) days after this **LIMITED WARRANTY** expires to notify **US** and ninety (90) days after it expires to file for arbitration, this time period does not extend the **WARRANTY PERIOD** for **CONSTRUCTION DEFECTS**. Additionally, no investigation, inspection, testing, repair, replacement, or payment, nor any promise of same by **US** under this **LIMITED WARRANTY**, nor any dispute resolution efforts, shall extend the term of this **LIMITED WARRANTY** or extend or toll any statutes of limitations or any of **YOUR** rights or remedies.

**Step 2** **PWC** Will Arrange the Arbitration Proceeding. The arbitrator or arbitration organization will notify **YOU** of the time, date and location of the arbitration hearing. Most often the hearing will be conducted at the **HOME** or the **COMMON ELEMENTS** or some other location that is agreeable to all the parties to the dispute. In scheduling the hearing the arbitrator will set a time and date that is reasonably convenient to all the parties.

**Step 3** The Arbitration Hearing. The parties at the arbitration hearing will include the arbitrator, **YOU**, **US** and/or a third party designated by **US** or acting on **OUR** behalf. Any party to the proceeding may be represented at the hearing. All persons who are parties to the arbitration, as well as representatives and witnesses, are entitled to attend hearings.

After evidence is presented by **YOU**, **US** or **OUR** representatives, a decision will be rendered by the arbitrator. The decision is final and binding on **YOU** and **US**. The arbitrator first will determine whether any claimed or alleged **CONSTRUCTION DEFECT** exists and whether it is **OUR** responsibility. Second, if the arbitrator finds **US** responsible for a **CONSTRUCTION DEFECT**, the arbitrator will determine the scope of any repair or replacement, **OUR** cost of any such repair or replacement, and the diminution in fair market value, if any, caused by such **CONSTRUCTION DEFECT**. Based upon the arbitrator's decision, **WE** shall choose whether **WE** shall (1) repair, replace the **CONSTRUCTION DEFECT**, (2) pay to **YOU** the actual amount it would cost **US** to repair or replace the **CONSTRUCTION DEFECT** or (3) **PAY** to **YOU** an amount equal to the diminution in fair market value caused by

the **CONSTRUCTION DEFECT**. The decision to repair, replace, or to make payment to **YOU** is at **OUR** or **OUR** authorized representative's sole option. In addition, the arbitrator shall render a decision resolving any other disputed matters or issues related to or arising from this **LIMITED WARRANTY**, the design or construction of the **HOME** or the **COMMON ELEMENTS** or the sale of the **HOME** or transfer of title to the **COMMON ELEMENTS**.

**Step 4** **OUR Arbitration Performance Obligations.** **WE** will comply with the arbitrator's decision no later than 60 days from the date of the award or other such date as may be specified or allowed in the decision. However, delays caused by circumstances beyond **OUR** or **OUR** representative's control shall be excused.

**Step 5.** **If YOU believe WE Have Failed To Comply With The Award.** **YOU** should contact **PWC** at its mailing address specified in this **LIMITED WARRANTY** if **YOU** believe **WE** have not complied with the arbitrator's award. **PWC** will mediate this dispute and if it cannot be resolved, will advise **YOU** that a compliance inspection arbitration is available to determine whether **WE** have performed adequately under the original arbitration award. **PWC** will communicate these findings to both **US** and **YOU**. If it is determined that **WE** have not properly performed, **WE** will be obligated to immediately comply.

**PWC's** sole responsibility is to administer this **LIMITED WARRANTY** on **OUR** behalf and as such **PWC** assumes no other liabilities in connection with this **LIMITED WARRANTY**. Under no condition or circumstance is **PWC** responsible for fulfilling any of **OUR** obligations under this **LIMITED WARRANTY**.

## IX. General Conditions

### A. Separation of This **LIMITED WARRANTY** From The Contract Of Sale

This **LIMITED WARRANTY** is separate and independent of the contract between **YOU** and **US** for the construction and/or sale of the **HOME** or transfer of the **COMMON ELEMENTS**. The provisions of this **LIMITED WARRANTY** shall in no way be restricted or expanded by anything contained in the construction and/or sales contract or other documents between **YOU** and **US**.

### B. Transfer to Subsequent **HOMEOWNERS**

This **LIMITED WARRANTY** will transfer to new owners of the **HOME** for the remainder of the **WARRANTY PERIOD**. **YOU** agree to provide this **LIMITED WARRANTY** to any subsequent purchaser of the **HOME** as a part of the contract of sale of the **HOME**. **OUR** duties under this **LIMITED WARRANTY** to the new **HOMEOWNER** will not exceed the limit of liability then remaining, if any.

### C. Transfer of Manufacturer's Warranties

**WE** assign to **YOU** all the manufacturer's warranties on all appliances, fixtures and items of equipment that **WE** installed in the **HOME**. Should an appliance or item of equipment malfunction **YOU** must follow the procedures set forth in that manufacturer's warranty to correct the problem. **OUR** obligation under this **LIMITED WARRANTY** is limited to the workmanlike installation of such appliances and equipment. **WE** have no obligation for appliances and equipment defined as **CONSUMER PRODUCTS**.

### D. Recovery Rights

If **WE** or a third party designated by **US** or acting on **OUR** behalf repairs, replaces or pays **YOU** as to a **CONSTRUCTION DEFECT**, or other related damage to the **HOME** or the **COMMON ELEMENTS** covered by this **LIMITED WARRANTY**, **WE** are entitled, to the extent of **OUR** payment, to take over **YOUR** related rights of recovery from other people and organizations, including but not limited to, other warranties and insurance. **YOU** have an obligation not to make it harder for **US** to enforce these rights. **YOU** agree to sign any papers, deliver them to **US**, and do anything else that is necessary to help **US** exercise **OUR** rights.

## E. General Provisions

1. If any provision of this **LIMITED WARRANTY** is determined to be unenforceable, such a determination will not affect the remaining provisions. If this **LIMITED WARRANTY** or any provision herein is determined to be unenforceable as to a **HOMEOWNERS ASSOCIATION** or a specific **HOMEOWNER**, such a determination will not affect the enforceability of this **LIMITED WARRANTY** or such provision as to any other **HOMEOWNERS ASSOCIATION** or any other **HOMEOWNER**. The issue of enforceability, as well as all other issues, will be determined by Binding Arbitration as provided for in this **LIMITED WARRANTY**.
2. This **LIMITED WARRANTY** and the binding arbitration process are binding on **YOU** and **US**. It is also binding on **YOUR** and **OUR** heirs, executors, administrators, successors, and assigns, subject to paragraph B of the **General Conditions**.
3. As may be appropriate, the use of the plural in this **LIMITED WARRANTY** includes the singular, and the use of one gender includes all genders.

## X. Definitions

**BUILDER** means the individual, partnership, corporation or other entity, which participates in the Warranty Program administered by the Professional Warranty Service Corporation and provides **YOU** with this **LIMITED WARRANTY**. Throughout this document the **BUILDER** is also referred to as "**WE**", "**US**" and "**OUR**".

**COMMON ELEMENTS** means the property as specified in the recorded Covenants, Conditions and Restrictions as common area and any other property as to which the **HOMEOWNERS ASSOCIATION** has standing under the law to make a claim. This may include, but is not limited to, streets, slopes, the structure or components of enclosure or other parts of the **HOME**/corridors, lobbies, vertical transportation elements, rooms, balconies, clubhouses or other spaces that are for the common use of the residents of the development in which the **HOME** is located. **SYSTEMS** serving two or more **HOMES**, and the outbuildings that contain parts of such **SYSTEMS** are also included in this definition.

**CONSEQUENTIAL OR INCIDENTAL DAMAGES** means any loss or injury other than:

- A. **OUR** cost to correct a **CONSTRUCTION DEFECT** including the correction of those surfaces, finishes and coverings damaged by the **CONSTRUCTION DEFECT**;
- B. **OUR** cost of repair or replacement of furniture, carpet or personal property damaged by the **CONSTRUCTION DEFECT**. Should replacement be necessary, **OUR** obligation is limited to replacement with items providing the same function and quality and that are readily available at the time the item is being replaced.
- C. **OUR** costs of removal or replacement in order to repair or replace a **CONSTRUCTION DEFECT**;
- D. The reasonable cost of the **HOMEOWNER'S** alternative shelter where the **HOME** is uninhabitable due to a **CONSTRUCTION DEFECT** or where the **HOME** is rendered uninhabitable by the repair of the **CONSTRUCTION DEFECT**.

Diminished fair market value is considered "**CONSEQUENTIAL OR INCIDENTAL DAMAGE**" and is excluded under this **LIMITED WARRANTY** unless **WE** elect this remedy in lieu of the repair, replacement or other payment as to a **CONSTRUCTION DEFECT**.

**CONSTRUCTION DEFECT(S)** means a flaw in the materials or workmanship used in constructing the **HOME** that:

- materially affects the structural integrity of the **HOME** or the **COMMON ELEMENTS**; or
- has an obvious and material negative impact on the appearance of the **HOME** or the **COMMON ELEMENTS**;

or

- jeopardizes the life or safety of the occupants; or
- results in the inability of the **HOME** or the applicable **COMMON ELEMENTS** to provide the functions that can reasonably be expected in a residential dwelling.

**WE** and any arbitrator assigned to rule relative to a **CONSTRUCTION DEFECT** will consider both this definition and

Section III – A. (Standards By Which the Presence of a CONSTRUCTION DEFECT Will Be Determined) in determining the existence of a **CONSTRUCTION DEFECT**. A flaw is a **CONSTRUCTION DEFECT** if either **WE** or an arbitrator conducting a binding arbitration hearing declares the flaw to be a **CONSTRUCTION DEFECT**. **OUR** obvious and visible failure to complete the construction of the **HOME** or **COMMON ELEMENTS**, or any portion of the **HOME** or **COMMON ELEMENTS**, is not a **CONSTRUCTION DEFECT**.

**CONSUMER PRODUCT** means any item of equipment, appliance or other item defined as a **CONSUMER PRODUCT** in the Magnuson-Moss Warranty Act (15 U.S.C. § 2301, et seq.) Examples of Consumer Products include, but are not limited to dishwasher, garbage disposal, gas or electric cook-top, range, range hood, refrigerator or refrigerator/freezer combination, gas oven, electric oven, microwave oven, trash compactor, garage door opener, clothes washer and dryer, hot water heater and thermostat.

**EMERGENCY CONDITION** means an event or situation that creates the imminent threat of damage to the **HOME** or **COMMON ELEMENTS**, or results in an unsafe living condition due to a **CONSTRUCTION DEFECT** that **YOU** (or as applicable, the **HOMEOWNERS ASSOCIATION**) become aware of at a point in time other than **OUR** normal business hours and **YOU** were unable to obtain **OUR** or **OUR** authorized representative's prior written approval to initiate repairs to stabilize the condition or prevent further damage.

**HOME** means a single family residence either attached or detached covered by this **LIMITED WARRANTY** or a condominium or cooperative unit in a multi-unit residential structure/building covered by this **LIMITED WARRANTY**.

**HOME BUILDER'S LIMITED WARRANTY** means only this express warranty document provided to **YOU** by **US**.

**HOMEOWNER** means the first person(s) to whom a **HOME** (or a unit in a multi-unit residential structure/building) is sold, or for whom such **HOME** is constructed, for occupancy by such person or such person's family, and such person's(s') successors in title to the **HOME**, or mortgagees in possession and any representative of such person(s) who has standing to make a claim on that person(s) behalf, including any class representative or **HOMEOWNERS ASSOCIATION** making a claim in a representative capacity.

**HOMEOWNERS ASSOCIATION** means a profit or nonprofit corporation, unincorporated association, organization, partnership, assessment district, limited liability company, limited liability partnership or other entity of any kind that owns manages maintains, repairs, administers, or is otherwise responsible for and has standing to make a claim as to any part of the **COMMON ELEMENTS**.

**POLLUTANTS** means all solid, liquid, or gaseous irritants or contaminants. The term includes, but is not limited to, petroleum products, smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, radon gas, and waste materials, including materials to be recycled.

**PWC** means Professional Warranty Service Corporation, which administers the warranty program in which **WE** participate. As such, **PWC** assumes no other liabilities in connection with this **LIMITED WARRANTY**. The **PWC** mailing address is:

**Professional Warranty Service Corporation**

Notwithstanding anything to the contrary set forth in this **LIMITED WARRANTY**, the **WARRANTY PERIOD** for the **COMMON ELEMENTS** of an individual structure/building commences on the date the title for the first **HOME** in the structure/building is transferred to the first **HOMEOWNER** or as concerns clubhouses or outbuildings or other **COMMON ELEMENTS** not part of the **HOME** the date the title to these structures is transferred to the

**HOMEOWNERS ASSOCIATION.** The dates the **WARRANTY PERIOD** begins and ends are indicated on the Limited Warranty Validation Form, which is attached to and made part of this **LIMITED WARRANTY**.

### **SUMMARY OF ESCROW AGREEMENT**

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a Sales Contract will be held by a neutral party ("Escrow"). Under the Escrow Agreement, these things will or may happen:

- (a) Escrow will let the purchaser know when payments are due.
- (b) Escrow will arrange for the purchaser to sign all necessary documents.
- (c) Except under certain circumstances as set forth in the Sales Contract, all deposits toward the purchase price shall be the property of the Developer. Provided that the purchaser is not in default under the Sales Contract and the Sales Contract contains a financing provision, purchaser's deposits, less escrow cancellation fees and third party lender fees, is refundable to purchaser if purchaser fails to qualify for a mortgage loan. Otherwise, all deposits toward the purchase price shall be the property of the Developer. The purchaser will be entitled to a refund of his or her funds only under certain circumstances.

The Escrow Agreement also establishes the procedures for the retention and disbursement of a purchaser's funds and says what will happen to the funds upon a default under the Sales Contract. The Escrow Agreement contains various other important provisions and establishes certain charges with which a purchaser should be familiar. Purchasers and prospective purchasers should carefully read the signed Escrow Agreement on file with the Real Estate Commission.

Pursuant to HRS §514-A-63(a), purchasers have the right of rescission of their sales contract if there is a material change in the project which directly, substantially, and adversely affects the use or value of (1) such purchaser's apartment or appurtenant limited common elements, or (2) those amenities of the project available for such purchaser's use.

**ANUHEA AT MAKAKILO**  
**AFFIDAVIT OF INTENT TO PURCHASE AND RESIDE IN AN OWNER-OCCUPANT**  
**DESIGNATED FEE SIMPLE DETACHED SINGLE FAMILY CONDOMINIUM RESIDENCE**

We, the undersigned "owner-occupants", on this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, do hereby declare that it is our intention to purchase and reside in a designated fee simple detached single family condominium residence designated for an "owner-occupant" in ANUHEA AT MAKAKILO detached single family condominium residence ("Community") proposed by D.R. Horton - Schuler Homes, LLC, a Delaware limited liability company, dba Schuler Homes ("Developer").

We understand, affirm, represent and agree by signing this Affidavit that:

1. It is our intent to reserve and purchase an owner-occupant designated detached single family condominium residence ("designated residence") pursuant to section 514A-103 of the Owner-Occupant Law, and upon closing escrow, to reside in the designated residence as our principal residence for 365 consecutive days.

2. The term "owner-occupant" as used herein is defined in section 514A-101 of the Owner-Occupant Law as:

"...any individual in whose name sole or joint legal title is held in a residential residence which, simultaneous to such ownership, serves as the individual's principal residence, as defined by the state department of taxation, for a period of not less than three hundred and sixty-five consecutive days, provided that the individual retains complete possessory control of the premises of the residential residence during this period. An individual shall not be deemed to have complete possessory control of the premises if the individual rents, leases or assigns the premises for any period of time to any other person in whose name legal title is not held." (Emphasis added).

3. We understand that if two or more prospective owner-occupants intend to reside jointly in the same designated residence, only one owner-occupant's name shall be placed on the reservation list for either the chronological system or the lottery system.

4. Should we require financing from a financial institution to purchase the designated residence, the financing shall be an owner-occupant mortgage loan. The financial institution is required to take all reasonable steps necessary to determine whether the borrower intends to become an owner-occupant.

5. At any time after obtaining adequate financing or a commitment for adequate financing up until the expiration of this Affidavit (365 days after recordation of the instrument conveying the designated residence to us), we shall notify the Real Estate Commission immediately upon any decision to cease being an owner-occupant of the designated residence.

6. At closing of escrow, we shall file a claim for and secure an owner-occupant property tax exemption with the appropriate county office for the designated residence.

7. We have personally executed this Affidavit and we are all of the prospective owner-occupants for the designated residence. This Affidavit shall not be executed by an attorney-in-fact.

8. This Affidavit shall be reaffirmed by us no earlier than our receipt for the Community's Final Public Report and no later than the closing of escrow for the residence. The developer shall cancel our sales contract or reservation if we fail to make the reaffirmation. If the sales contract has become binding pursuant to section 514A-62 of the Condominium Property Act, we may be considered to be in default under our sales contract, and the Developer may exercise the default or other remedies provided for in the sales contract and any other remedies provided by law.

9. We shall not sell or offer to sell, lease or offer to lease, rent or offer to rent, assign or offer to assign, convey or otherwise transfer any interest in the designated residence until at least 365 consecutive days have elapsed since the recordation of the instrument conveying title to the designated residence to us. Furthermore, we understand that we have the burden of proving our compliance with the law.
